

# $LTL_f$ to Symbolic DFA

Shufang Zhu

Post-doc of WhiteMech group

# LTL<sub>f</sub> and DFA

- ▶ LTL<sub>f</sub> reasoning to DFA reasoning. 😊
  - ▶ LTL<sub>f</sub> synthesis to reachability game on DFA.
- ▶ Explicit DFA: **Doubly-exponential**. 😞
- ▶ Symbolic DFA, exp smaller than explicit representation.

# Symbolic DFA

- ▶ Understand symbolic DFA representations.
  - ▶ Partitioned representation.
  - ▶ Monolithic representation.
- ▶ Computations on symbolic DFA.
- ▶ Project idea:
  - ▶ Which representation is superior, DFA reachability game solving?
